

## D.O.Ca. Rioja Heredad de Altillo White

Heredad de Altillo white is made from Spain's traditional grape variety known as Macabeo in much of its homeland Spain but as Viura in Rioja, where it is by far the most planted white wine grape. Our skilled winemaker has created a wine that preserves the grape's natural aromatic freshness.

### Technical Information

Harvested at night in early October, this cooler temperature allows the grapes to retain their wonderful aromatic characters. After crushing, the must is left for maceration for 4 to 6 hours in cool temperatures to get the maximum expression of aromas. The winemaking process includes careful handling at every stage. The fermentation is carried out at a controlled temperature in stainless steel tanks between 14-15 °C in order to achieve maximum expression. The result is a fresh and delicate wine.
